1. "The toughest RPG to date!!!" - GameZone.com The eXtremely tough "Elder Scrolls" genre is well represented by this game. The battles can be very challenging and the enemies very fierce. You are truly fighting for your life in this game. 2. "It was a pretty awesome game, and even I can see why you'd keep coming back for more." - iPhoneGamer.com A genre-defining game that manages to continue to raise the bar for what constitutes "RPG". This one is well worth your time. 3. "You will need to make some tough decisions because in order to succeed, you must be willing to make some enemies of your own to get what you want." - TouchGen.com An excellent RPG that made me look forward to my next turn. 4. "The combat is more frantic than the traditional RPG and more explosive than most action titles." - Pocketgamer.co.uk The combat is excellent. You have a variety of weapons and spells and all the enemies have various types of attacks. 5. "Few fantasy-based RPG games are as challenging as this one." - RPGFan.com An RPG that matches the high difficulty of the PC-RPG series, "Dragon Age: Origins". If you're looking for a game that will test your strategic gameplay skills then try this one out. All Reviews: 1. "Not as good as the original, but very close. Definitely the most compelling RPG." - Gamezebo An excellent sequel, with a few minor faults. The differences in the environments, weapons and enemies have led to a somewhat less focused and focused experience than before. 2. "Larger and more in-depth than it's predecessor, but not as fun as past ES sequels." - Gamespot The plot is considerably more serious, perhaps even too serious, and the story and characters are less colorful. The combat system remains fantastic, and the new features (including flying and grappling) are extremely welcome additions. 3. "Utterly gorgeous, and superbly challenging." - PocketGamer.co.uk It's not a perfect game, but it's certainly a very fun one, and arguably the best digital Fallout I've played. And this is coming from someone who doesn't like the original game. 4. bff6bb2d33
