Download Pexels Plugin For WordPress:. X-Force Autodesk, Version: 27.0.0-102423609;. For AutoCAD Download Here.This year's IASPM '08 conference in San Diego, CA -- June 26 - 30 -- will be completely interactive! After each presentation, there will be time for session participants to come up and ask questions of the panelists. The goal is to give the audience a chance to personally ask questions, ask for clarification or help, and be able to interact with the panelists. Our Speakers Dr. Williams, Consulting Faculty Dr. Williams has been a faculty member at Simon Fraser University in British Columbia, Canada since 1990 and is in the College of Business and Economics. He has taught in the Graduate Program in Small Business Management, in the Department of Information Systems and the Department of Marketing and International Business. He has co-authored a book on the application of statistical techniques to marketing. Dr. Williams received a B.A. in economics from the University of California at Berkeley, a Master of Business Administration from the University of Maryland, and a Ph.D. from the University of Maryland. He is an active member of the Marketing Research Association and has served as the Academic Editor for the Journal of Applied Marketing and the Journal of Electronic Commerce. He has chaired numerous program committees and has served on the faculty of several international marketing conferences. Marketing Research | Marketing Metrics Kelly Booth, Associate Research Scientist, Simon Fraser University Kelly Booth has more than 30 years of experience in the application of market research and information technology to the marketing industry. Her marketing and technical research is seen in a variety of disciplines including market research, training, and consulting. Kelly holds a Master of Science degree from Simon Fraser University and a Ph.D. from the University of Victoria. She is a professor emeritus of the Department of Business and Marketing at Simon Fraser University. Kelly is an active member of the Market Research Association, the Canadian Marketing Society, the Institute for Operations Research and the Management Sciences, and the International Marketing Review. She has written numerous books and articles, including the book Marketing Research and Social Network Analysis (Wiley, 2000) and a chapter in the book Social Marketing: Insights for Research, Practice, and Policy (Sage, 2003). A volume for the Advanced Marketing Section of the International Marketing Review is being published in 2008. Kelly is currently researching social network methods in marketing research.
