

In "Tarnished", the game of the Elden Ring, there exists no such thing as a "perfect hero" or "perfect story". In this game of chivalry, all that matters is your own personality and the strength of your character. All that you experience are the stories of other players and how they adapt to the environment. Customize your character's appearance! Equip your own clothes and weapons, and even learn runes to deepen your capabilities. You can customize your movement and gear according to the situation! Experience the joy of an action RPG! Enjoy the combat where your task is to finish the battle with style, and the story where you gain emotional power through your adventure. What awaits you is a world of endless possibilities! ABOUT THE ELDEN RING Elden Ring is a fantasy action RPG that takes place in an open world. It was released on May 16th, 2017 for PlayStation 4. Elden Ring takes place in a fantasy world where heroes, including those who are in the process of forming the Elden Ring, battle monsters and many other such threats to their lands. As an individual, you gain experience through your battles, and from the odd items you will come across in your travels. As you rise through the ranks, the story unfolds in a multilayered way and you begin to realize your true role in the

formation of the Elden Ring. The Elden Ring is a youth organization that aims to turn the tide of the current world by restoring the balance. The members of the organization are divided into three groups, those in the Estates, those in the Court, and those who have yet to reach age of adulthood. Players can switch between all of them during the course of the game and alter their behavior to adapt to the situation and become stronger. As you progress in the game, you gradually become an adult and gain access to higher-ranking members of the organization. The fantastic story where your every move is closely monitored, and where you are able to influence the future. The Elden Ring offers a deep story, simple yet exciting gameplay, and a vast map. We hope you have a good time playing!

Create your own legend and be a lord of the Castle Stones
-In a fantasy world where huge Castle Stones with huge
castelike structures have appeared, you can create your

own legend, and your actions lead to the growth of your own castle. The Fate Creation and the Realm the Castle Stones -Take the fate of a thousand years ago, and an old story will start anew with you. Create a different destiny of the deep-rooted fate of the kingdom that is why you play the castle tower builder. The Fate Creation and the Realm -Some parts of the castle are deep underground and closed to the outside world. By exploring them, you can come across new equipment or magical monsters and rare items, and you can obtain unusual pieces of Fate. The Skills of Skill Rise -The deeper you explore, the more experience you obtain. Therefore, the more wisdom you obtain and you can take on more challenging tasks. The unrivaled wisdom of a skilled character can be an invaluable tool in your castle tower. The Ark of the Times -In times of war, the Ark of the Times was stolen from the ancient castle tower. Now, the Ark is necessary in order to build an even stronger castle tower. The Ark of the Times -Through the Ark, the new Castle Stones will be built to reconstruct the ancient castle tower to its former glory. As a lord of the Castle Stones, you will lead your bannermen, and together, you will fight against the intruders, enemies, and monsters seeking to take over the realm. The battle involves three aspects- the conquest of the world, an attack on the castle, and a battle for the fate of the castle, all of which must be completed. Characters Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. Creating Your Own Legend In the land of the Elden Ring, Castle Stones appeared on a scale of the entire continent. By building your own tower and choosing your own fate, you have the chance to become an Elden Lord. In the beginning, people who dreamt of the arrival of the Elden Ring gave birth to castle towers, raising the Castle Stones high to the sky and then connecting them together to create a giant chessboard. Without the knowledge or ability to find an understanding of the rules of the world's drama, they fell into the
