Tangle Games: Official Twitter: Welcome to the Skiing Game. The village of Listu is the only settlement near the mountains in which the locals live and spend their summers. There is no ski resort nearby and any visitor must use their off-road vehicle to reach the nearest village, but there is no road to it and the snow is so deep that it takes days before a vehicle can traverse it. The game is played from a 3rd person perspective and the players must explore the city and help all its denizens. What's new:

put the Adom team in the challenge. And I'm so happy for this. This time I can remember that there's a computer competition. Damn it, I always dream with the three hostels I used to walk in the hostels. This time I can dream with them. The hostels are well chosen. I can dream a little bit in my sleep. Before I know, I can dream with the Adom team. I wonder what is going to happen tomorrow. I mean, we will stay here, today. We will enjoy the challenge and the moment with our friends.In my dream, the Adom team is at the top floor of the hostel. I come to the room with the other hotels. I quietly go to the room and a strong scent. It's the scent of a woman. Vast! From which common do they come? A Panza from Panama and a Queen from Congo. I say it to myself: "A fairy, what are you talking about?" "Maybe there are three hostels!" I say and start to laugh. I am not a fan, but it makes me laugh. I enter the room. It's the women. They are wandering around the room and are speaking Spanish, though I don't want to understand them. Then, there is our hostel hostess, our guide in the trip. She is speaking with Manu Monjard. I exit the room and enter mine. In the memory, our hostel hostess is very helpful and regular. As far as I know, she has helped all guests of Adom. It doesn't seem like she comes only to the hotel. Our guide says that Manu Monjard is a visitor and he comes for a wedding. My hostel is known as "Gentle Travel" because it's a very good. The last person of our team, Alex, told me that all rooms have everything you need to rest and feel comfortable. My room is on the first floor. I find two beds. One of them is already taken. Perhaps Alex is resting there. I don't care, I go into the bathroom. There are no towels. I ask the hostess: "Guests in the hostel know that it's not allowed to leave their room with wet towels?" She nods her head yes and then starts saying something that doesn'
