- 1 New Skin - 4 New Portraits Important: - Please make sure that you have installed the Coma 2: Vicious Sisters DLC in order for you to get the costumes. - If you already purchased the Coma 2: Vicious Sisters DLC please check with your game store before downloading the DLC. - In order for you to get the costumes, it is necessary to have the Coma 2: Vicious Sisters DLC in your MyCAREER. In addition, Coma2 has recently released a new DLC called "Children of the Dark", which contains a new world, 21 characters, 8 costumes, and a new "Vile" enemy. This pack can be purchased by going to the Japanese, Europe or other regions \*Please make sure that you have purchased the Children of the Dark DLC when purchasing Coma2: Vicious Sisters DLC.\* - And in order to play Children of the Dark DLC you must

---

have the following items required for the DLC: Fantasy creatures, 2 items Children of the Dark - new world, 21 characters, 8 costumes and a new "Vile" enemy In Coma 2: Vicious Sisters, it's Hina's turn as she becomes a new recruitable character! Her new moveset includes the "Shadow Slash" that leaves the opponent dazed or "Shadow Break" that she can use when the enemy is making a slash. Existing DLC characters will be receiving new costumes that they can wear with their new moveset as well. Also in this pack, there will be some new cosmetics, such as "Mina's Summer Clothes", "Mina's Hair Clip", "Mina's Summer Flip Flops", and a new family crest for the main character. Please enjoy your summer at the beach with Mina and her family! For more information, please check out the Coma 2: Vicious Sisters official page on the official website of the game: [\\*Terms of Use\\* \\*1\\*](#) When you purchase the Coma 2: Vicious Sisters DLC, your receipt will include information about the DLC. If you are unable to play the DLC due to the fact that the DLC is not included in your receipt, you may exchange the DLC on the PlayStation®Network. If you are unable to exchange the DLC on the PlayStation®Network, you

## **NDSightseeing**

Oppo had a new handheld up for the holidays. And I'm not talking about their new and crowded lineup of retro phones.

The NDS happened to be released by Square Enix as well. **Rare executive producer Masato Kato** talks about their new handheld.

## **Midnight Appreciation**

We have our own new Midnight Appreciation up next. Check this joint out.
