## **What's new in Pixel Poops - Unlock All Modes:**

**Cyber Ops is an executive produced reality television series that first premiered on FX on July 28, 2014. The series is aired on Wednesdays at 10:00 p.m. EST and on Thursdays at 10:00 p.m. EST on HDNET and FXX. The first season follows an elite SWAT team as they respond to cyber crimes cases around the country. The second season premiered October 5, 2015. The third season premiered July 24, 2016. The fourth season, airing September 29, 2017, featured new episodes on Wednesdays, and in 2018 the episodes were replaced by a new season of 16:9 version of Cyber Ops, airing in the same timeslot with new episodes. Cast Season 1**

**Cody Cody is the commander of 3d Response Unit, consisting of Jake Rogers, Travis Burns and J.J. Higgins. After Cody learns about the Newport Bay incident on the news, he begins to suspect a federal link. With the help of his senior officer and Lieutenant Fox, he launches an operation to identify possible targets. Becasue of information leaks caused by**

---

**Anderson federal agents, Cody's team start also searching for suspects that may had been working undercover for a criminal network and there were tasks like banks heist, computer virus and wire fraud, terror threats and others. But their discoveries also included the death of a U.S. serviceman in Mississippi who was involved in the ongoing investigation known as "Fast And Furious" and a terrorist strike in Israel. The operation for finding out the suspects cost the team \$2,000,000 and 2 informants. On 4 July, the team received a tip from a teacher and her students that one of the suspects was a student of their school. After some time they observed the suspect and the team made the arrest. Killer Smith Killer Smith is the leader of the gang of criminals. He is a dangerous and highly dangerous criminal who is connected with the drug trade, who in the police raids has often been found to be armed with large-caliber weapons of various types in an apartment which the police have searched numerous times over the course of several years. The reason for the operation is that one of the operatives, before leaving the**
