# Acer 8920G Drivers Cinedash Media Console

July 5, 2009 - Perfect for work and play, overloaded with CineDash touch media console, Dolby Home Theater® , Acer® Tuba CineBass amplifier and . The Acer V246HLBid Monitor is a touch screen monitor that can be connected to the Internet and other Acer systems. The 23.6" screen supports WQHD resolution for bright, clear and colorful images. Two HDMI ports, DVI and VGA connectors are at your service. With Acer BluelightShield™ technology and Acer Adaptive Contrast Enhancer, contrast is increased by up to 80%, which increases the clarity and contrast of the image, and reduces eye strain.
