Johnny Rotten wanted more than anything to be in the Sex Pistols, the original punk band from the 80s. The only way he got in was by using his father as a middleman; he went through his dad, who was a drug dealer, in order to get in the band. The Pistols denied being a cover band, and that's why Johnny came up with "unforgettable" -- because that's all he could hope for as he knew he'd never be in the band he wanted.
