this movie was everything that i expected and more. diljit is hands down the best actor in punjabi cinema. his comedy skills are commendable. i was laughing so hard through out the whole movie that i had tears in my eyes and my stomach started hurting by the end of the movie (no kidding). i love the way how todays punjabi movies uses the punjabi language in such a beautiful way that we, nris, feel so connected and intrigued by it. sardaarji is a fresh breeze of air for pollywood. sardar ji movie download 720p download sardar ji (2015) full movie 480p, 720p & 1080p ~ vegamovies.nl movie info: movie-synopsis/plot: screenshots: (must see before downloading) download sardar ji (2015) hindi 480p webrip [350mb] download sardar ji (2015) hindi 720p webrip [1gb] download sardar ji (2015) hindi 1080p webrip [3gb] winding up download sardaar ji (2015) amzn webrip hindi full movie in 480p & 720p & 1080p with high speed google drive link. this movie is based on comedy, fantasy, horror. synopsis: happy, a timid sardar living in patiala, finds his life turned upside down when he falls in love with mary, a malayali knanaya christian girl. his folks want a punjabi shaadi and mary's father is adamant on having a christian wedding. sardar ka grandson has an exceptional storyline yet it is let somewhere near dull composition and hauled screenplay. the initial 30 minutes and the most recent 10 minutes of the film are just watchable. the principal half guarantees that the film is a carefree romantic comedy yet the subsequent half feels like a stretch and needs profundity, neither its sentiment nor satire associates with the watchers.
