Kaabil is a 2017 Hindi Action Comedy Movie directed by Anand L Rai. It stars Sonam Kapoor, Anupam Kher, Pulkit Samrat & Fardeen Khan. The movie is produced by Sohail Khan, Vijay Singh & Shahrukh Shah. The sixth collaboration between the hero of the Tamil film industry Vijay and the heroine of the Hindi film industry Sonam is Kaabil, and the jury is out. The movie directed by Anand Rai- Anand takes this particular combination of two super stars to a new level. Sonam and Vijay have recreated their chemistry as a couple of rookies in Bollywood. Fardeen and Pulkit play the romantic lead and the comic role respectively. The movie is by no means a remake of any existing film, but the movie shares the nuances of the Tamil original. The plot revolves around a shy, stern anchor who wins a contest to marry a hot model. The hero meets the pretty model after the wedding, and he realises that she is straight and super serious and she cannot stand him being funny. But the

anchor is sure that the girl cannot know that he is a comedian. And he goes home to ask his family what they will do if she finds out. The action in Kaabil is super naturalistic. There are comic vignettes and romantic sequences, with Vijay and Sonam matching the timing with
